

This Master Framework Agreement sets out the basis on which ARIS will provide Cloud Services, Software, Maintenance & Support Services, and/or Professional Services.

## A. General Terms

### 1 AGREEMENT STRUCTURE

- 1.1 **Definitions:** Any capitalized terms used in any Agreement shall have the meaning set out in Annex 1, unless the context requires otherwise.
- 1.2 **Order Forms:** Customers will obtain Cloud Services, Software, and Professional Services by executing an Order Form which is governed by this Master Framework Agreement. By entering into this Master Framework Agreement, Customer is entering into it for its own benefit and equally the benefit of its Affiliates. Any Affiliate may obtain Products or Professional Services hereunder by the issuance of Order Forms referencing this Agreement. Customer may act as agent for an Affiliate in the negotiation, execution, and administration of this Agreement and any Order Forms, and in so doing, Customer shall have all the powers of that Affiliate and is responsible for Affiliate's obligations. Each Order Form is a separate contractual commitment by the parties signing the Order Form. Nothing contained in this Agreement or any other Order Form will be deemed to make Customer responsible for any of the obligations of any Affiliate, nor any Affiliate responsible for the obligations of Customer or any other Affiliate, provided that the party entering into the Order Form is responsible for the obligations under such Order Form.
- 1.3 **Attachments:** Attachments form an integral part of the Master Framework Agreement. The provisions of Attachments shall be binding on the Parties and shall apply with the same force and effect as the provisions set forth in this Master Framework Agreement. Attachments are as follows:
  - (a) AI Services Addendum
  - (b) Data Protection Addendum
  - (c) Data Act Addendum
  - (d) Global Code of Business Conduct & Ethics for ARIS Compliance Provisions
  - (e) Data Security Policy

The Attachments are available at [www.aris.com/terms](http://www.aris.com/terms) and may be updated by ARIS from time to time. ARIS will not amend Attachments in a manner which degrades or reduces the scope, effectiveness or security of any Products/Professional Services.
- 1.4 **Order of Precedence:** ARIS will provide Products/Professional Services on the basis of the following and in this order of precedence:
  - (a) any Amendment and/or Order Form to the Master Framework Agreement;
  - (b) the Master Framework Agreement;
  - (c) the Attachments
- 1.5 **Customer Terms and Conditions:** Any general terms and conditions of the Customer shall not apply to the relationship between ARIS and Customer—unless expressly accepted in writing by ARIS, in which case they shall apply only as a supplement—and in the event of any conflict between such Customer terms and the terms of the Agreement, then the terms of the Agreement shall prevail unless otherwise expressly agreed. Any standard “purchase order” terms of the Customer are expressly rejected.

### 2 CUSTOMER'S OBLIGATIONS

- 2.1 **Customer's Obligations:** The Customer agrees to cooperate reasonably and in good faith with ARIS in the performance of the Services. In particular, the Customer shall:
  - (a) provide ARIS with timely access to all Customer Data, information, materials, systems and personnel reasonably required for the proper performance of the Services;
  - (b) ensure that any information it provides is complete and accurate to the best of its knowledge;
  - (c) promptly notify ARIS of any issues that may affect the performance or delivery of Professional Services; and
  - (d) ensure it always backs up Customer Data on systems managed by Customer in accordance with good industry practice prior to allowing access to the same to ARIS in connection with the provision of any Professional Services.
  - (e) ensure that its Product are kept up to date to the extent updates are available and shall implement each update without undue delay.
  - (f) ensure that all contact information of its designated points of contact is complete, accurate, and kept up to date at all times

### 3 PAYMENT

- 3.1 **Payment:** Unless otherwise agreed, all payments set out in any Order Forms are due and payable within 30 days of date of invoice (regardless of the issuance of a Purchase Order) and are non-refundable, non-cancellable, and irrevocable. All payments shall be made without recoupment or set-off and are exclusive of taxes and duties. Customer agrees to bear and be responsible for the payment of all taxes and duties including, but not limited to, all sales, use, rental, receipt, personal property and other taxes (but excluding taxes based upon ARIS' income), which may be levied or assessed in connection with the Agreement. Unless otherwise agreed, fees for Products shall be invoiced by ARIS and paid by the Customer annually in advance. Fees for Professional Services will be invoiced as stated on an Order Form and paid by the Customer upon commencement of the services.
- 3.2 **Taxes:** All charges referred to in the Agreement are expressed as exclusive of all applicable Indirect Taxes. If any Indirect Taxes are payable in relation to any goods, services, or other supplies made under or in connection with the Agreement, including the provisioning and fulfilment of such supplies, then:
  - (a) the applicable Indirect Taxes shall be added to any charges payable by Customer;
  - (b) Customer shall pay or reimburse the amounts of such Indirect Taxes to ARIS on or before the due dates for satisfaction of such invoices.
- 3.3 **Withholding Taxes:** The provision and payment of Products/Professional Services do not trigger any withholding tax obligations for the Customer. If Customer determines that any withholding taxes are imposed by the applicable jurisdiction(s) on the payments made by the Customer to ARIS under the Agreement, the Customer shall promptly notify ARIS in writing. The Parties shall cooperate fully and provide all requested information and documentation to support the reduction of withholding under the applicable Double Tax Treaty, including but not limited to any tax residency certificates, beneficial ownership declarations, or other relevant documentation. In the event that withholding tax is required and no exemption applies, the Customer shall increase the payment so that the net amount received by ARIS, after deduction of such withholding tax, equals the amount that would have been received had no withholding been required.

### 4 CONFIDENTIALITY

- 4.1 **Confidential Information:** Each Party will have access to Confidential Information of the other Party or third parties. Confidential Information disclosed is proprietary and will remain the sole property of the disclosing Party or such third parties. The Cloud Services, Software and Documentation are Confidential Information of ARIS.
- 4.2 **Confidentiality Obligation:** Each Party agrees:
  - (a) To use Confidential Information only for the purposes of the Agreement;
  - (b) To hold Confidential Information in confidence and protect it from dissemination to, and use by, any third party;
  - (c) not to create any derivative work from Confidential Information;

- (d) to restrict access to Confidential Information to its personnel, affiliates, agents, and contractors who need access to such Confidential Information and who have agreed in writing to treat such Confidential Information in accordance with this Agreement; and
- (e) to destroy, or upon written request return, all Confidential Information of the other Party upon termination or expiration of this Agreement.

4.3 **Exclusions:** The restrictions shall not apply to Confidential Information that:

- (a) is publicly available or in the public domain at the time disclosed;
- (b) is or becomes publicly available or enters the public domain through no fault of the recipient;
- (c) is rightfully communicated to the recipient by persons not bound by confidentiality obligations with respect thereto;
- (d) is already in the recipient's possession free of any confidentiality obligations with respect thereto at the time of disclosure;
- (e) is independently developed by the recipient; or
- (f) is approved for release or disclosure by the disclosing Party without restriction.

4.4 **Compliance with law permitted:** If the recipient is required by law or a valid legal order to disclose Confidential Information, the recipient will, unless prohibited by law, give reasonable notice of such demand to allow the disclosing Party to seek a protective order or other remedy.

4.5 **Relief:** Each Party acknowledges that the failure to comply with the provisions of this clause shall result in irreparable harm to the disclosing Party for which a remedy at law would be inadequate, and therefore, in the event of the breach or threatened breach by the recipient of its obligations under this clause, the disclosing Party shall be entitled to seek equitable relief in the form of specific performance and/or an injunction for any such actual or threatened breach, in addition to the exercise of any other remedies at law and in equity.

## 5 IPR INDEMNITY

5.1 **Indemnity:** ARIS will indemnify Customer from any third party action against Customer to the extent proximately based upon an allegation that the authorized use of the Cloud Services, Software, Professional Services or any part thereof infringes any intellectual property right or trade secret, and pay those damages or costs (including reasonable attorneys' fees) incurred by Customer related to the settlement of such action or awarded against Customer, provided that Customer:

- (a) promptly notifies ARIS of any such action;
- (b) gives ARIS full authority, information, and assistance to defend such claim; and
- (c) gives ARIS sole control of the defense of such claim and all negotiations for the resolution or settlement of such claim.

5.2 **Exceptions:** ARIS will have no indemnity obligation nor other liability under this Agreement to the extent the claim is based upon:

- (a) Cloud Services, Software or Professional Services that were modified by anyone other than ARIS without its express consent;
- (b) use of anything other than the then-current release of the Cloud Services, Software, Professional Services, fat clients, or plug-ins provided to Customer if the infringement could have been avoided by use of the then-current release and such release was made available to Customer;
- (c) use of the Cloud Services, Software or Professional Services in conjunction with other software, hardware or Customer data, where such use gave rise to the infringement claim;
- (d) use of the Cloud Services, Software or Professional Services in a manner inconsistent with its Documentation; or
- (e) use of the Cloud Services, Software or Professional Services other than as expressly authorized in this Agreement.

5.3 **Remedy:** If ARIS determines that the Cloud Services, Software or Professional Services are likely to be the subject of a claim of infringement, ARIS may, in its sole discretion:

- (a) replace or modify the Cloud Services, Software or Professional Services; or
- (b) procure the right for the Customer to continue using the Cloud Services, Software or Professional Services;

provided, however, that if options (a) and (b) are not available to ARIS on reasonable commercial terms, then ARIS may terminate the Customer's license or access to the Cloud Services, Software or Professional Services and refund to the Customer a pro-rated portion of the applicable unused fees.

5.4 **Customer Indemnity:** Customer will indemnify ARIS from any third-party action against ARIS to the extent proximately based upon an allegation arising from:

- (a) the unauthorized use of Customer Data with the Cloud Services, Software or Professional Services; or
  - (b) modification or use of the Cloud Services, Software or Professional Services with any Customer applications,
- provided that ARIS (i) promptly notifies Customer of any such action; (ii) gives Customer full authority, information, and assistance to defend such claim; and (iii) gives Customer sole control of the defense of such claim and all negotiations for the resolution or settlement of such claim.

5.5 **Indemnification for Data Protection:** Subject to the limitations of liability set out in Section 6.2. below ARIS shall defend, indemnify and hold Customer harmless against any expense, loss, damage or costs (including reasonable attorneys' fees) in connection with claims made or brought against Customer related to loss of data or damages resulting from a failure to comply with the data protection agreement, or a breach of obligations under GDPR or other applicable data privacy laws, in cases where such claim is attributable to ARIS's breach, and not otherwise caused by Customer's act or omission.

## 6 LIMITATION OF LIABILITY

6.1 **Limitation of Liability:** IN NO EVENT SHALL ARIS BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL, ECONOMIC OR CONSEQUENTIAL LOSS OR DAMAGES IN CONNECTION WITH ANY CLAIM THAT ARISES FROM OR RELATES IN ANY WAY TO THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION ALLEGED, EVEN IF ARIS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED OR EXCLUSIVE REMEDY OF ANY KIND. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE LIMITATIONS OF LIABILITY SET FORTH IN THIS CLAUSE ARE INDEPENDENT OF EACH EXCLUSIVE OR LIMITED REMEDY SET FORTH IN THIS AGREEMENT. EXCEPT IN THE EVENT OF DEATH OR PERSONAL INJURY OF A PERSON NEGLIGENTLY CAUSED BY ARIS OR GROSS NEGLIGENCE AND WILFULL MISCONDUCT. IN NO EVENT SHALL THE LIABILITY OF ARIS UNDER THIS AGREEMENT EXCEED THE AMOUNT OF THE FEES PAID TO ARIS BY CUSTOMER UNDER THE ORDER FORM(S) TO WHICH CUSTOMER'S CLAIM RELATES. CUSTOMER ACKNOWLEDGES THAT THE LIMITATIONS SET OUT IN THIS AGREEMENT REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT ARIS WOULD NOT HAVE ENTERED INTO THIS AGREEMENT WITHOUT THE LIMITATIONS OF LIABILITY SET FORTH IN THIS AGREEMENT.

6.2 **DATA PROTECTION LIABILITY CAP:** IN NO EVENT SHALL EITHER PARTY'S AGGREGATE LIABILITY TO THE OTHER PARTY WITH RESPECT TO ANY CLAIM ARISING OUT OF OR RELATED TO A VIOLATION OF APPLICABLE DATA PROTECTION LAW, THE OBLIGATIONS SET FORTH IN DATA PROTECTION AGREEMENT, WHETHER IN CONTRACT, TORT, OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED TWO TIMES THE FEES PAID UNDER THE ORDER FORM(S) WHICH WERE IMPACTED BY THE DATA BREACH.

## 7 SUSPENSION AND TERMINATION

7.1 **Suspension:** ARIS may suspend Customer's access to the Services in order to:

- (a) comply with any law, regulation, government or court order; or
- (b) prevent any degradation of the Services caused by Customer.

ARIS will promptly resume the Services as soon as the cause of the suspension has been removed. ARIS shall notify the Customer without undue delay once

it becomes aware of circumstances leading to a suspension of the Services.

- 7.2 **Termination for material breach:** In the event of a material breach relating to Services, the non-breaching party may terminate the Services if the material breach has not been cured within thirty (30) days after written notice specifying such breach. In the event of termination by ARIS for Customer's material breach, all license rights relating to such Services immediately cease to exist and Customer will discontinue all use of the Services. Customer will delete any relevant Software and all copies and related materials no later than 10 days after the date of termination (and, upon request, certify such destruction to ARIS). Any terms that by their nature extend beyond termination or expiration will survive notwithstanding the termination or expiration of any Services. In the event of a rightful termination by the Customer for ARIS' material breach, ARIS will refund to the Customer a pro-rated portion of the applicable unused fees.

## 8 COMPLIANCE WITH LAWS

- 8.1 **Data Processing:** ARIS' Data Processing Addendum and applicable technical and organizational measures implemented by ARIS can be found as part of the Attachments mentioned in Article 1.3 above. All processing of Customer Data by ARIS is undertaken based on such Data Processing Addendum.

Customer shall defend and indemnify ARIS against any liability arising from any breach of this clause by the Customer. ARIS is not required to perform any obligation under the Agreement if prohibited by such export control laws, regulations or restrictions.
- 8.4 **Usage restriction:** Customer will not use, access or provide access to the Products/Professional Services in any manner that violates an applicable economic, financial or trade prohibition, sanction or embargo, which may include but is not limited to such prohibitions, sanctions or embargoes enacted or imposed by law or other restrictive measure and administered or enforced by:

- 8.5 **Anti-Corruption:** The Parties will comply with all applicable laws, regulations and requirements (whether international, federal, state, local, or provincial) prohibiting bribery, money laundering, and anti-corruption. ARIS will at all times ensure compliance with its Code of Conduct and Ethics.

## 9 MISCELLANEOUS

- 9.1 **Third Party Components:** If the Customer a) downloads any portion of the Cloud Services and/or b) receives or uses the Software, the Customer acknowledges that such downloads and/or the Software may contain or be distributed with certain Third Party Components, which may be subject to Third Party Terms. Third Party Terms include important licensing and warranty information and disclaimers of third-party licensors. For the avoidance of doubt, if Customer uses such downloads and/or the Software in accordance with the Documentation, the Third Party Terms do not restrict the rights granted under the Agreement. In the event that a third-party licensor no longer provides active support for any Third Party Component, ARIS will use commercially reasonable efforts to respond to any issues with such downloads and/or the Software related to the Third Party Components.
- 9.2 **Audit:** ARIS may audit Customer's use of the Products/Professional Services no more than once per calendar year. No later than 10 Business Days from ARIS' request, Customer will confirm to ARIS in writing that Customer's use of the Products/Professional Services complies with the Agreement and provide sufficient detail, as reasonably requested by ARIS, to enable ARIS to assess such compliance. Subsequently, on giving reasonable notice to the Customer and without unreasonably interfering with Customer's regular course of business, ARIS or a designated consultant may, in accordance with any Customer security access requirements, data protection law and confidentiality obligations, perform an on-site audit of the systems on which the Products/Professional Services are installed for the purpose of assessing compliance with the Agreement.

- (a) to an Affiliate;
  - (b) to any third party in connection with the assignment to any such third party of the right of ARIS to receive any sums payable by the Customer to it hereunder;

This restriction applies regardless of whether the use is direct or indirect, and includes use by government agencies, contractors, or subcontractors engaged in military operations. Any breach of this clause shall be deemed a material breach of this Agreement.

- 9.6 **Independent Contractors:** The Parties are independent contractors and have no power to bind or incur obligations on the other Party's behalf.
- 9.7 **Force Majeure:** If the performance of this Agreement or any obligation under this Agreement, except for the making of payments, is prevented, restricted or interfered with by reason of a force majeure event as defined under the Governing Law, including but not limited to fire, flood, earthquake, explosion or other Act of God or casualty or accident, or strikes or labor disputes affecting third-party vendors, inability to procure or obtain delivery of parts, supplies or power, war or other violence, any law, order, proclamation, regulation, ordinance, demand or requirements of any governmental agency, denial of service attacks, cybercrimes or malware caused by a third party, failure of utilities or any act or condition whatsoever beyond the reasonable control of and unforeseeable to the affected party, the party so affected will take all reasonable steps to avoid or remove such cause of non-performance and will resume performance hereunder with dispatch whenever such causes are removed.
- 9.8 **Governing Law:** This Agreement and any dispute, claim or controversy arising out of or relating to this Agreement shall be exclusively governed by and construed in accordance with the Governing Law/Jurisdiction depending on the location of the Customer according to the Order Form as follows:

## C. Special Terms - Professional Services

If the Customer has ordered Professional Services, in an Order Form, the provisions of this Section C (Special Terms - Professional Services) shall apply.

### 1 PERFORMANCE OF PROFESSIONAL SERVICES

- 1.1 **Performance of Professional Services:** ARIS will provide the services of Consultants as defined in an Order Form to perform during the Term. ARIS' Professional Services shall be limited to consulting and support and ARIS shall not be obliged to provide more than the Commitment under the relevant Order Form. Professional Services will be delivered on the basis of a time and material engagement or fixed price. Only fixed price Order Forms may have Deliverables. Hence the Parties explicitly agree that no legal provision regarding contracts for work and labor - in particular acceptance and warranty provisions - shall apply to any performance rendered under this Agreement.
- 1.2 **Change in Scope:** Customer may require changes to Professional Services (scope, timeline, additional hours, etc) that exceed the original Order Form. The Parties agree to execute an amendment or additional Order Form to document the changes to the Professional Services. No additional Professional Services beyond the initial Order Form will be performed until such amendment/Order Form documenting the changes is fully executed.
- 1.3 **Pre-delivered services:** Where any of Professional Services have been delivered prior to the signature of any Order Form the Parties agree that the terms of this Agreement shall be deemed to apply to any such pre-delivered services.
- 1.4 **Work Schedules:** Customer and ARIS jointly decide on the work schedules and task assignment for the Consultant deployed. Customer bears the overall responsibility for the project management and the achievement of the project objectives. ARIS will support the Customer in this regard and according to the Customer's instructions.
- 1.5 **Subcontractors:** ARIS has the right to subcontract the Professional Services. Nothing herein shall relieve ARIS of its obligations hereunder.
- 1.6 **Sub-contractors:** ARIS is entitled to have a third party perform all or some of the Cloud Services, and/or Professional Services. In the event a third party is engaged to do so, ARIS, as the contractual counterparty, hereby warrants proper performance of its contractual obligations to the Customer and the Customer shall accept the services rendered by the third party as services of ARIS.
- 1.7 **Acceptance:** All time and material Professional Services are accepted upon delivery. For any fixed price Order Forms, any applicable acceptance criteria must be in the Order Form.
- 1.8 **Customer's Obligations:** Customer shall be responsible for the fulfilment of any customer obligations stated in an Order Form as a condition precedent to the proper performance by ARIS of its obligations hereunder.

### 2 DELIVERABLES

- 2.1 **Pre-Existing Materials:** ARIS will be using concepts, ideas, techniques and skills, method, methodologies, processes and procedures related to business processes that are developed or continue to be developed by ARIS, and the use of technology in connection with such processes and their software, and which constitute an integral and continuing part of ARIS's business ("Pre-Existing Material") in order to perform the Professional Services and produce the Deliverables agreed upon in an Order Form. Nothing contained in this Agreement shall be construed as giving the Customer any right, title or interest in, or to, any Pre-Existing Material during and after the term of this Agreement. ARIS retains the right, title and interest in the Pre-Existing Material and any and all improvements, modifications, enhancements, upgrades and derivatives to, or based on, the use of any of the above, whether they are developed independently by ARIS or result from the performance of Professional Services.
- 2.2 **Rights of Use of Pre-Existing Materials for Deliverable:** ARIS grants the Customer a non-exclusive, irrevocable, and non-transferable right to use any Pre-Existing Material used in the Deliverables for Customer's internal business purposes only as agreed within an Order Form. Any other use requires ARIS' prior written consent. To the extent that new (co-)copyrights or other intellectual property rights arise in the Pre-Existing Material as a result of the Deliverables, all rights to exploit, publish, edit, and reproduce such results shall vest in ARIS, subject to the foregoing usage right. Customer shall only be entitled to use ARIS' standard software products if and to the extent such right is expressly granted to the Customer in an applicable Order Form.

### 3 TRAVEL EXPENSES

- 3.1 **Travel Expenses:** ARIS shall be entitled to reimbursement of travel expenses incurred in connection with the performance of any Professional Services, provided that such expenses are adequate, fair and appropriate in light of the nature and location of the assignment. Reimbursable expenses include, in particular, reasonable costs for transportation, accommodation and meals. Reimbursement shall be limited to:
  - (a) second-class rail travel;
  - (b) business-class air travel;
  - (c) car expenses actually incurred (such as rental fees, fuel, tolls and parking); and
  - (d) hotel accommodation within the price range generally applicable to five-star hotels or comparable standard in the relevant location.
- 3.2 **Reimbursement:** The Customer shall reimburse ARIS for all such travel expenses actually and properly incurred by ARIS' experts in accordance with the foregoing standards, upon submission of appropriate supporting documentation (such as receipts or travel expense reports). Any expenses that may exceed the limits described above or what is generally considered adequate and fair for the relevant circumstances require the Customer's prior written approval.
